President's Message

As 2025 comes to a close, I can look back and see our Chapter's successes and growth. With the assistance of our executive leaders and board of directors, we accomplished so much this year. From successful education events, to another fantastic Lunch and Learn summit and using our voice to shape decisions for this organization at the national level. In particular, I have to recognize John Bice, MAI, our Vice President, for spearheading education so deftly and Geof Carmack, our Treasurer, who has tirelessly encouraged the vision and assisted with in person events. I look back so fondly on many conversations with all of you at meetings/events and by phone and text. The professional growth I have felt through these conversations not just in 2025 but over many years is invaluable to me. So, thank you!

Looking forward to next year, we will endeavor to continue supporting appraisers in Arkansas and beyond through education, information, support, and professional networking. All of that happens best when you, the membership, get involved! So, I hope you will commit with me to attend some in person meetings and/or events in 2026 with the Arkansas Chapter. It is an overused phrase but, truly, we are better together and I am better for knowing all of you.

Sincerely,
Angela Kimble, SRA
2025 President
Arkansas Chapter - Appraisal Institute

Congratulations!

APPRAISER QUALIFICATIONS BOARD

AI PAREA is Here! [PAREA](#) provides an alternative to the traditional supervisor and trainee model for experience for licensed residential and certified residential appraisers. AI PAREA is an online program covering appraisal theory and methodology, in real-world simulations, with mentoring from nationally recognized appraisers. The content and activities in the AI PAREA program recreate the practical experience needed to gain a credential. Exercises, simulations, case studies, and applications are designed to enhance the AI PAREA program participant's existing appraisal knowledge. AI PAREA participants will develop at least three USPAP-compliant appraisal reports at the culmination of the AI PAREA program. Learn more about the AI PAREA program here: [Appraisal Institute PAREA FAQ Questions](#), please email aiparea@appraisalinstitute.org.

If you are not receiving emails from ARAI regarding education, meetings, elections, social events, newsletters, etc., please contact us so we can either update your email address or advise on how to white-list our email.
